Knowing how to buy a used car or even a new one for that matter, can mean the difference between going home happy or leaving the dealership with empty pockets. Generally the second biggest purchase in a persons' life is buying a car. It can also turn out to be one of the most expensive mistakes you could ever make. Because most people only buy a car every few years, it is difficult for them to gain the experience needed to avoid all of the traps that are out there.
