The Company Daughters Samantha Rajaram

2020-10-30 'Blew my mind... so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book... I loved every moment of it... immersive, heart-wrenching, I feel emotional writing this review.' Goodreads reviewer, 5 stars Wanted: *Company Daughters*. Virtuous young ladies to become the brides of industrious settlers in a foreign land. The Company will pay the cost of the lady's dowry and travel. Returns not permitted, orphans preferred. Amsterdam, 1620. Jana Beil has learned that life rarely provides moments of joy. Having run away from a violent father, her days are spent searching for work in an effort to stay out of the city brothels, where desperate women trade their bodies for a mouthful of bread. But when Jana is hired as a servant for the wealthy and kind Master Reynst and his

beautiful daughter Sontje, Jana's future begins to look brighter. Then Master Reynst loses his fortune on a bad investment, and everything changes. The house is sold to creditors, leaving Jana back on the street and Sontje without a future. With no other choice, Jana and Sontje are forced to sign with the East India Company as Company Daughters: sailing to a colonial Dutch outpost to become the brides of male settlers they know nothing about. With fear in their hearts, the girls begin their journey - but what awaits them on the other side of the world is nothing like what they've been promised...

Based on true history, this is a gripping and unputdownable historical novel, perfect for fans of *Girl with a Pearl Earring*, *The Miniaturist* and *The Indigo Girl*. WINNER OF THE 2021

GOLDEN CROWN LITERARY SOCIETY AWARD FOR DEBUT FICTION. FINALIST FOR THE 2021 BISEXUAL BOOK AWARDS. LONGLISTED FOR THE 2021 HWA DEBUT CROWN AWARD. What

readers are saying about *The Company Daughters*: 'Blew my mind... a book I've told so many people about purely because I'm still in disbelief that it exists, that it's so magically written and most of all that it is based on true events... a hard-hitting, soul-crushing book of a woman's struggle to survive... I loved every

moment of it. Breathlessly, and in a way that took up my entire brain... immersive, heart-wrenching, and I feel emotional writing this review.' Goodreads reviewer, 5 stars 'From the moment I started reading *The Company Daughters*, I was captivated by this historical tale. Although it does contain a love story, it's not a romance...This was a gripping read.'

Goodreads reviewer "This book is so stunningly tender and beautiful, all mixed in with some seriously tragic and heart-wrenching events...

Rajaram is an extremely skilled writer, and I love her writing style... The themes of sisterhood and female love were so present in this book and I found it very moving.'

Goodreads reviewer 'I was enchanted by this book! It's a delightful read that will have your emotions all over the place.' Goodreads reviewer 'I love historical fiction, and this book touched on a topic and time I knew

nearly nothing about...There's love, there's loss, there's surviving, there's thriving... It was a very beautiful book.' Goodreads reviewer 'The Company Daughters is a beautifully written love story... a perfect example of the power of human will and the endurance and hope that love can give a person.' Goodreads reviewer, 5 stars 'This book has a beauty and grace to it. The author's writing just flows off the page, and although there are struggles and upsets by the time you close the book over you are filled with a warm glow.' Teaching Abby Becca Jameson 2020-02-25 It's a summer internship. Never mind that the owners are hot. Never mind that there are three of them. Never mind that they are twice her age. Never mind that they have a secret "play" room in the basement. Never mind that she's never been more intrigued in her life. She only has three months. No matter how deeply she gets involved, she can't stay...

Death Waits in the Dark Mark Edward Langley 2020-08-04 It took all of thirty seconds for two shots to bring the world of Margaret Tabaaha crashing down around her. After losing her husband in Afghanistan during the first year of Operation Enduring Freedom, her two sons were all she had left. Now they had been taken from her violently, deliberately, plunging her into a whiskey bottle and stripping away her reason for living. When Arthur Nakai receives a call from his first love, Margaret, her voice pleading for his help, it comes as he is attending a wake for one of the men he considered a brother from his days in the Marines 6th LAR Wolf Pack Battalion. Feeling a deep and responsible obligation to help her, Arthur soon finds himself involved in the multi-billion-dollar world of the oil and gas industry and coming face-to-face with an old adversary, Elias Dayton. Their paths had crossed when Arthur was a member of the Shadow Wolves, an elite tactical unit within US

Customs and Border Protection. Now Dayton runs Patriot Security, a Blackwater-type firm that keeps the oil rigs, gas wells, and man camps secure from the Water Protectors, protesters pushing to stop the fracking and poisoning of Native lands. As Arthur works through the case from his end, Navajo police chief Jake Bilagody tackles it from another angle, looking into the strained relationship between the oil company and the Navajo people, all while searching for a missing Navajo man that may have become an unwilling piece on the reservation checkerboard. But when Arthur learns the identity of the boys' killer, he struggles to make sense of it. Because if the clues are right, he will be forced to make a decision that will haunt him for the rest of his life.

To My Arrogant Boss J. S. Cooper 2021-01-01 To Mr. Tate Howard, You are quite possibly the most infuriating, annoying and grumpy man I've ever met in my life. I know you think that you're God's gift to women, but I have a secret to let you in on: you're not. You're God's gift to yourself. Get over your wanna-be cool surfer self and grow up. I thought it was time that someone addressed your big head and told you straight to your face that you're not all that. Just because you have an Ivy league education doesn't mean you're the smartest man in the world. In fact, I'm not even sure if you would have gotten in if you didn't have rich parents. Yes, I went there. Every woman doesn't want to sleep with you and I'm sure you're not even good in bed. And I'm someone that would know. From, Your Secret Not Admirer

The Aussie Next Door Stefanie London

2019-08-27 "A sweet, sexy read, featuring a couple that feels both true-to-life and aspirational." Kirkus Review, Starred Review
American Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs? Castle on the Rise Kristy Cambron 2019-02-05
Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Whatever she'd done had clearly been an accident; he couldn't rely on her magic. They had to get out of here. She flinched as he reached down to cup her face, gazing into her eyes. "Sorry about this," he murmured, as he probed her mind. Her thoughts were frantic, moving at an impossible speed. All will be well, he told her silently. Rest now. "What—what are you—" she whispered, as her eyes drooped. She slumped forward into his arms. Cradling her, he moved over to the window, and leapt out. *** Alaric, a centuries-old vampire, lives a solitary life by choice. Suriname International Monetary Fund 1997-08-13 This paper reviews economic developments in Suriname during 1994-96. In 1995, there was a major turnaround in Suriname's economic and financial situation following the expansionary fiscal and monetary policies pursued in the first half of the 1990s and the political and economic disruptions of the 1980s. The marked improvement was owing to the restoration of financial discipline, a strengthening of international bauxite prices, and the unification and subsequent stabilization of the exchange rate. The inflation fell further to less than 1 percent in 1996.
