Why are you still paying \$235 a year to rent your cable box? You're leaving money on the table every day, with every transaction you make: changing your oil, withdrawing ATM cash, booking flights, buying insurance, shopping for clothes, squirting toothpaste. But in Pogue's Basics: Money, the third book of this New York Times bestselling series, David Pogue proves that information is money. Each of his 150 simple tips and tricks includes a ballpark estimate of the money you could make or save. Okay, you won't use every tip in the book—but if you did, you'd come ahead by \$61,195 a year.
