Honda CBR600RR Matthew Coombs 2006-01-01 Awarded the Nobel
Prize for Literature in 1969, Samuel Beckett's influence on 20th century
fiction and drama is immeasurable. Published in conjunction with the RT
(Radio Telef s ireann) Thomas Davis Lecture Series to mark the
centenary of Beckett's birth, Samuel Beckett - 100 Years consists of
thirteen essays by many of the foremost academics studying Beckett
today. Literary luminaries such as John Banville and Anthony Cronin line
up alongside philosophers Dermot Moran and Richard Kearney to delve
into the psyche of the man responsible for classics such as Murphy,
Krapp's Last Tape, and Waiting for Godot, while actors Barry McGovern
and Rosemary Pountney describe what makes his works so theatrical.
The book is a challenging and serious look at Beckett's work and its
impact on literature today.
