Oxford School Thesaurus Robert Allen 2007 This is a fresh new look, in colour, for the 2007 edition of the Oxford School Thesaurus. This authoritative thesaurus is an ideal companion to the comprehensive Oxford School Dictionary. Each entry is in alphabetical order, with its word class and a broad range of imaginative synonyms with supporting example sentences. Guidewords at the top of each page and the full alphabet with a tab on the letter of the page make it very easy to navigate; the page design is clear and straightforward. It features 50 useful tinted panels that give an increased number of synonyms for words that are often overused, for

example put , nice, or say. There are also almost 90 topic panels - themes that students are often writing about. These focus on vocabulary connected to the topic, for example, when writing about the weather there are general words to do with the weather, plus meteorological instruments, words to do with air pressure, to do with rain or other precipitation, to do with sky and clouds, to do with temperature or to do with wind. A wealth of material in a very solid package.
