School Climate Peter M. DeWitt 2017-07-24 Build a positive school climate to impact students, teachers, and the community! Is improving school climate on your to-do list? Do you think about it as a top-down directive or as a dialogue to build equity within the school? A healthy school environment should never be seen as an option, but instead supported as a must-have. Peter DeWitt offers leaders practical high impact strategies to improve school climate, deepen involvement in student learning, and engage a broader family network. In addition to international vignettes focused on community stakeholders and research-based practices, this book features tools such as · a leadership growth cycle to help leaders build their self-efficacy · a teacher observation cycle centered on building collective

efficacy · an early warning system to identify potential at-risk students · action steps following each chapter to apply to your own setting · discussion questions for use in team environments Establishing a supportive and inclusive school climate where professionals can take risks to improve the lives of students is vital to maximize learning in any school community.

Rise & Shine Staar Prep Grade 4 Writing Suzanne E. Borner

2014-09-24 These workbooks are designed to equip your 4th-grade students with the skills they'll need for success on the writing portion of the STAAR test. The multiple-choice questions that follow each passage are designed to

help them recognize and correct these mistakes. In the second section, students write their own compositions in response to the writing prompts they encounter. As part of each exercise, students are urged to prewrite and are given space in which to organize their thoughts before writing. A checklist in each prompt helps students focus on the important elements of good writing as they are completing the prompts. Teacher Editions contain STAAR objectives and scoring rubrics. Nowhere will you find more extensive preparation for the STAAR Writing Assessment!

Twelve Years a Slave Solomon Northup 2024-01-04 Filmatized

in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in

Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

The Road Home Judy Sheer Watters 2013-05 Book Description Stopping just inside the door, he quickly took in the diner and then focused on her. He slowly removed his gray fedora hat to reveal his wavy black hair. Good morning, he said, I m Nathan, the new cook. I guess it s time to put the eggs on for breakfast. And that s how it all starts a city boy from a New York City orphanage well versed in the school of hard knocks meets a country girl who thinks she wants a life of travel and excitement. Together they show how living an honest, but sometimes hilarious life is essential to a happy family. Publisher s Comment: At first I thought "The Road Home" was just a warm remembrance, a memoir of the life of the author s father. It is much, more than life on a farm in Pennsylvania. It is twenty-eight life lessons she fondly recalls being

imparted throughout his life and her time with him. Like a collection of precious parables, this recount of a man's journey becomes a roadmap for future generations. Life Lesson #13 is my favorite. About the Author Judy Watters love of writing started in second grade with Mrs. Harrison at the Charleston Elementary School. Her childhood home, a 100-acre farm snuggled into the hillside halfway between Welsh Settlement and Cherry Flats in north central Pennsylvania, offered a huge playground and a wealth of story ideas. Her teaching career has provided even more. She is a board member of Story Circle Network, member of Faith Writers, Christian Writers Group of San Antonio, co-leader of Hill Country Christian Writers and instructor of Legacy Writers. Judy and her husband reside in Spring Branch, Texas, and with their three children have created a legacy of their own.

Kumba Africa Sampson Ejike Odum 2020-11-03 'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures

and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we

believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.
