Powerful Practices for Supporting English Learners Fern

Westernoff 2021-03-16 Highlight the assets of English Learners in your classroom. Students do better in school when their voices are heard. For English Learners, that means not only supporting their growing language proficiency, but also empowering them to share their linguistic and cultural identities. This practical guide, grounded in compelling research and organized around essential questions and answers, is designed to help all educators build on their current competencies to authentically harmonize home languages and cultures in the classroom. Inside you'll find

- The emotional, social, linguistic, cognitive, and academic rationale for incorporating cultural and linguistic assets
- Creatively illustrated powerful practices with concrete examples of successful implementation
- Myth-busting reflections to spark critical thinking about diversity, inclusive education, and family engagement
- Curriculum connections tied to American and Canadian standards

By recognizing and validating every student's linguistic and cultural assets, you create a supportive environment for academic success.

What the Dinosaurs Did Last Night Refe Tuma 2015-10-20 From the creative parents who brought the world the web sensation "Dinovember" comes photographic proof of what toys get up to when the rest of the house is asleep. You might have noticed weird things happening in your house. Unexplainable messes. Food all over the kitchen floor. Who could the culprits be? Dinosaurs! Boasting bright and hilarious photographs, along with a story written from the point of view of an older, wiser sibling, Refe and Susan Tuma's picture book documents a very messy adventure that shows just what the dinosaurs did last night.

First Day, Hooray! Nancy Poydar 1999 Brand-new shoes, her very own lunchbox, and just the thought of a whole room filled with kids! No wonder Ivy Green can't wait for school to start tomorrow. But she is also a little worried. What if she misses the bus? How will she find Ms. Bell's room? Although she doesn't know it, Ivy isn't the only one who is nervous. Miss Wheeler, the bus driver; Mr. Handy, the custodian; Ms. Bell, her teacher; and even Mr. Masters, the principal, are all scrambling to prepare for the big day. Will they all be ready in time? Nancy Poydar's exuberant paintings and reassuring story capture the anticipation, the apprehensions, and the excitement of the first day of school.

Public School Equity Manya Whitaker 2023-09-01 Equality is not equity, tolerance is not inclusion, and access is not opportunity. Efforts to address inequities within our schools tend to ignore the underlying beliefs that sustain injustices, and focus instead on short-lived policies and practices. This book takes a different approach to eradicating educational disparities. Drawing on more than forty interviews with

teachers, principals, and district leaders, Manya C. Whitaker offers educators guidance for leading a school or district grounded in social justice that centers teachers—not just teaching practices—and that focuses on the belief systems that shape decision-making. The chapters walk educational leaders through a strategic approach to long-term change: from school planning for family and community engagement, to hiring and onboarding teachers, to sustaining equity through multifaceted professional development and equitable evaluation. Concrete "how-to"s are provided throughout, along with reflection questions to help readers apply the content to their context. For any school or district leader intent on addressing the many inequities highlighted by the COVID-19 pandemic, this book is an essential manual.

Ahmed Aziz's Epic Year Nina Hamza 2021-06-22 This hilarious and poignant tween debut about dealing with bullies, making friends, and the power of good books is a great next read for fans of *Merci Suárez*, *Changes Gears* and John David Anderson. Ahmed Aziz is having an epic year—epically bad. After his dad gets sick, the family moves from Hawaii to Minnesota for his dad's treatment. Even though his dad grew up there, Ahmed can't imagine a worse place to live. He's one of the only brown kids in his school. And as a proud slacker, Ahmed doesn't want to deal with expectations from his new teachers. Ahmed surprises himself by actually reading the assigned books for his English class: *Holes*, *Bridge to Terabithia*, and *From the Mixed-Up Files of Mrs. Basil E. Frankweiler*. Shockingly, he doesn't hate them. Ahmed also starts learning about his uncle, who died before Ahmed was born. Getting bits and pieces of his family's history might be the one upside of the move, as his dad's health hangs in the balance and the school bully refuses to leave him alone. Will Ahmed ever warm to Minnesota? * A Chicago Public Library Kids Best Book of the Year * A BookPage Best Book of the Year * Finalist for the Minnesota Book Award *

Global Action for School Libraries Barbara Schultz-Jones 2022-10-03 This book focuses on inquiry-based teaching, one of the five vital aspects of the instructional work of school librarians identified in the second edition of the IFLA School Library Guidelines (2015). Effective implementation of inquiry-based teaching and learning requires a consistent instructional approach, based on a model of inquiry that is built upon foundations of research and best practice. The book explains the importance and significance of inquiry as a process of learning; outlines the research underpinning this process of learning; describes ways in which models of inquiry have been developed; provides recommendations for implementing the use of such models; and demonstrates how the other core instructional activities of school librarians, such as literacy and reading promotion, media and information literacy instruction, technology integration and professional development of teachers, can be integrated into inquiry. Inquiry-based learning is part of "learning to be a learner," a lifelong pursuit involving finding and using information. Inquiry develops the skills and understandings that learners need in new information environments, whether that be as students in post-secondary institutions, as producers and creators in workplaces, or as citizens in communities. Through inquiry-based teaching, school librarians help students to build the essential skills and understandings needed for dealing with complex learning challenges, including analysis, critical thinking, and problem solving. In this book, special attention is given to the development of students' metacognitive abilities, which are essential to their becoming life-long and life-wide learners.

Rooted in Joy Deonna Smith 2023-08-08 How teachers can unlock the power of inclusivity and joy to transform their classroom and behavior management In *Rooted in Joy: Creating a Classroom Culture of Equity, Belonging, and Care*, educational justice advocate and educator Deonna Smith delivers a unique blend of theory, academic frameworks, narrative, and digestible advice on impacting deeply rooted school culture challenges and managing the day-to-day classroom. This research-based book brings a friendly and accessible voice to a complex issue, making the subject matter easy to follow and apply in the real world. In the book, you'll build your toolbox for cultivating a inclusive and joyful classroom culture through humanizing your students and acknowledging the role that culture and race play in the educational system. You'll also: Find valuable, downloadable resources that complement and highlight the topics discussed in the book Discover

resources suited to first-year teachers, as well as educators with decades of experience in the classroom Discover ways to improve learning outcomes for all students An essential and practical resource for teachers, administrators, principals, and other education leaders, *Rooted in Joy* will also benefit education policymakers, regulators, and other public officials seeking advice on how to shape the next generation of school policy.

Ditch That Textbook Matt Miller 2015-04-13 Textbooks are symbols of centuries-old education. They're often outdated as soon as they hit students' desks. Acting "by the textbook" implies compliance and a lack of creativity. It's time to ditch those textbooks--and those textbook assumptions about learning In *Ditch That Textbook*, teacher and blogger Matt Miller encourages educators to throw out meaningless, pedestrian teaching and learning practices. He empowers them to evolve and improve on old, standard, teaching methods. *Ditch That Textbook* is a support system, toolbox, and manifesto to help educators free their teaching and revolutionize their classrooms.

Lead Like a Pirate Shelley Burgess 2017 This book explains how to design classroom experiences that encourage students to take risks and explore their passions in a stimulating, motivating, and supportive environment where improvement, rather than grades, is the focus.

The Distance Learning Playbook for School Leaders Douglas Fisher 2020-09-26 Effective school leadership is effective leadership, regardless of where it occurs In March 2020, there was no manual for leading schools and school systems during a pandemic. School leaders had to figure things out as the crisis unfolded. But starting now, leaders have the opportunity to prepare for leading schools through distance learning with purpose and intent—using what works best to accelerate students' learning all the while maintaining an indelible focus on equity.

Harnessing the insights and experience of renowned educators Douglas Fisher, Nancy Frey, and John Hattie, *The Distance Learning Playbook for School Leaders* applies the wisdom and evidence of the **VISIBLE LEARNING®** research to understand what works best. Spanning topics from school climate at a distance, leader credibility, care for self and colleagues, instructional leadership teams, stakeholder advisory groups, and virtual visibility, this comprehensive playbook details the research- and evidence-based strategies school leaders can mobilize to lead the delivery of high-impact learning in an online, virtual, and distributed

environment. This powerful guide includes: • Actionable insights and hands-on steps for each module to help school leaders realize the evidence-based leadership practices that result in meaningful learning in a distance environment • Discussion of equity challenges associated with distance learning, along with examples of how leaders can work to ensure that equity gains that have been realized are not lost. • Analysis of the mindsets that empower leaders to manage change, rather than technology • Space to write and reflect on current practices and plan future leadership strategies • The mindframes for distance learning that serve leaders well in any instructional setting and will position schools after the pandemic to come back better than they were before

Trauma-Sensitive School Leadership Bill Ziegler 2022-08-17 Fifty concrete strategies to help school leaders create a learning environment that better serves and supports students living with trauma. Many educators have heard about the need to implement "trauma-sensitive" practices in order to help students heal and succeed. But what does this look like on a day-to-day basis? What does it require of teachers and of those who lead them? In *Trauma-Sensitive School Leadership*, Bill Ziegler, Dave Ramage, Andrea Parson, and Justin Foster provide a framework to guide administrators and their teams through the process. With reference to research and their own experience as teachers, counselors, and school leaders, the authors explain how to * Develop empathetic and supportive relationships among students and staff. * Identify biases and barriers that hinder educators' ability to support learners affected by trauma. * Design all-school events and daily lesson plans to minimize the likelihood of retraumatizing vulnerable students. * Retool discipline practices and physical spaces to foster a more trauma-sensitive culture and climate. * Establish supports to help teachers and other staff deal with secondary trauma. Accepting students for who they are and responding compassionately to their needs leads to greater success in academics and life. With 50 recommended strategies and real-life examples of trauma-informed healing practices, *Trauma-Sensitive School Leadership* can help you transform your school to better serve your students.

Playdhd Kirsten Miliken 2016-04 Play is the pathway to being an ADHD superstar! Consider all of the famous people who have ADHD- Einstein, Adam Levine, Michael Phelps, Jim Carey, Malcomb Forbes and Shane Victorino, to name a few. All known for being playful in their own way. If you are an adult with ADHD, this book is your prescription to play. This book focuses on how developing a more playful mindset and habit of engaging in playful activities can actually help you to manage symptoms and excel with ADHD. It's likely that you were never encouraged to play to meet your potential, much less to have fun in an effort to be more creative, happy, energetic, and productive. After a lifetime of being urged to "stop goofing off" and to "take things more seriously," Dr. Milliken offers scientific evidence that play is actually what you need to better manage your difficulties with attention. ADHD is a serious problem. But your approach to it doesn't have to be. *PlayDHD: Permission to Play...A Prescription for Adults with ADHD* is written for adults with ADHD as well as for those who just want to remember how to play more. This is one book you will actually be able to say you read all the way through! With scientific evidence, humorous anecdotes, playful activities, short passages, and color graphics, this book captures and holds the attention of even the most unfocused mind.

Animales Carroneros LernerClassroom Editorial Staff 2008-01-01 ANIMALES CARRONEROS (ANIMAL SCAVENGERS) TEACHING GUIDE *Inclusion in Action* Phil Foreman 2017-04-05 How can classroom teachers effectively differentiate learning and teaching programs to provide for the needs of every student in their class? This best-selling text begins by asking "Why include all students?" in regular classrooms and then shows how this can be done. It outlines the philosophy of inclusive education and focuses on the use of individualised planning and effective teaching practices to maximise learning outcomes within positive and productive environments. Vignettes and narratives provide real-life examples that help put the theory in context. This fifth edition includes broader coverage of issues to do with diversity and individual differences, particularly cultural and multicultural inclusion, linguistic diversity and giftedness. There is more throughout on the universal design for learning framework and on partnerships with families, while new pedagogical features encourage readers to reflect. Throughout, it emphasises a practical, research-based approach to teaching that can be applied to support students with a range of differences and additional needs.

The Gingerbread Man Loose in the School Laura Murray 2011-07-07 A very smart cookie is doing the chasing in this sweet and funny twist on the classic tale. When a class leaves for recess, their just-baked Gingerbread Man is left behind. But he's a smart cookie and heads out to find them. He'll run, slide, skip, and (after a mishap with a soccer ball) limp as fast as he can because: "I can catch them! I'm their Gingerbread Man!" With help from the gym teacher, the nurse, the art teacher and even the principal, the Gingerbread Man does find his class, and he's assured they'll never leave him behind again. Teachers often use the Gingerbread Man story to introduce new students to the geography and staff of schools, and this fresh, funny twist on the original can be used all year long. Look for all of this hilarious Gingerbread Man's adventures: *The Gingerbread Man Loose at School*, *The Gingerbread Man Loose on the Fire Truck*, *The Gingerbread Man Loose at Christmas*, *The Gingerbread Man Loose at the Zoo*, and *The Gingerbread Man and the Leprechaun Loose at School!*

The Principal's Companion Pam Robbins 2003 Despite the administrative leadership that most principals receive in university courses, their most useful learning occurs once they are on the job. The new knowledge--much of it the result of trial and error--is gained in relative isolation. This second edition provides ideas, approaches, strategies, resources, tools, techniques, and reflective opportunities for principals to facilitate educational improvement on a daily basis. It retains the essence of the first edition while adding new strategies for addressing state and national standards, incorporating social and emotional learning, supervising and evaluating teachers to enhance the quality of student work, developing a love for learning in students, using brain-compatible teaching practices to maximize learning, using technology in meaningful ways, making data-driven decisions, sustaining effective professional development, practicing ethical leadership, and managing crises. Chapters are divided into seven parts: (1) "The Principal's Role"; (2) "Critical Skills for Effective Leadership"; (3) "Honoring the School's Mission"; (4) "Working Together to Build a Learning Organization"; (5) "Keeping the Pipes from Leaking: Adding Meaning to Traditional Practice"; (6) "Understanding Your Constituencies"; and (7) Professional and Personal Issues." Each chapter concludes with a set of reflective questions. (Contains 138 references and 14 additional readings.) (RT).

Free or Low-cost Reinforcers for Appropriate Behavior Laura A. Riffel, Ph.D. 2019-10-21 This book focuses on reinforcers (non-tangible) you can use with students within the classroom setting or a whole school setting. They can be used at the universal, targeted, or tertiary levels.

Leverage Leadership Paul Bambrick-Santoyo 2012-06-06 Paul Bambrick-Santoyo (Managing Director of Uncommon Schools) shows leaders how they can raise their schools to greatness by following a core set of principles. These seven principles, or "levers," allow for consistent, transformational, and replicable growth. With intentional focus on these areas, leaders will leverage much more learning from the same amount of time investment. Fundamentally, each of these seven levers answers

the core questions of school leadership: What should an effective leader do, and how and when should they do it. Aimed at all levels of school leadership, the book is for any principal, superintendent, or educator who wants to be a transformational leader. The book includes 30 video clips of top-tier leaders in action. These videos bring great schools to you, and support a deeper understanding of both the components of success and how it looks as a whole. There are also many helpful rubrics, extensive professional development tools, calendars, and templates. Explores the core principles of effective leadership Author's charter school, North Star Academy in Newark, New Jersey, received the highest possible award given by the U.S. Department of Education; the National Blue Ribbon Print version includes an instructive DVD with 30 video clips to show how it looks in real life. E-book customers: please note that details on how to access the content from the DVD may be found in the e-book Table of Contents. Please see the section: "How to Access DVD Contents" Bambrick-Santoyo has trained more than 1,800 school leaders nationwide in his work at Uncommon Schools and is a recognized expert on transforming schools to achieve extraordinary results.
