**The Voice of the Underdog** Mike Sullivan 2022-09-20 What does building your company's culture have to do with building your brand? Get ready to find out. In *The Voice Of The Underdog: How Challenger Brands Create Distinction By Thinking Culture First*, advertising veterans Mike Sullivan and Michael Tuggle unpack the poorly understood and grossly underleveraged connection between brand and culture. Filled with fascinating case studies, entertaining stories, and engaging insights, the book examines the true essence of what makes a company a challenger brand, unveils how successful challengers of all sizes use culture to create extraordinary brand distinction, and finishes with a detailed blueprint for building your own transcendent culture. For more than 20 years, Sullivan and Tuggle have put the lessons and insights in this book into hard practice at LOOMIS, the country's leading challenger brand advertising agency helping drive hundreds of millions of dollars in sales and build renowned challenger brands in numerous categories including restaurant, banking, retail, healthcare, home services, franchise support, and more. Just as importantly, the authors have helped build a company culture that's kept employees twice the national average and lead to LOOMIS being named "Small Agency of Year" by Advertising Age, and a 7-time placement on the "Best Places to Work" lists from the Dallas Morning News and the Dallas Business Journal. If you want to compete with and beat the category leaders, you have to start with your culture. If you want to build a great culture, start with this book.

**Remind Me Again Why I Married You** Rita Ciresi 2003-05-27 No one blends humor and heartbreak like Rita Ciresi, whose award-winning novels are lauded as much for their generous wit as for their unflinching honesty. Ciresi's crowd-pleasing novel *Pink Slip* captivated readers and critics alike, introducing two utterly unforgettable characters and a love story both bittersweet and comic. Now Ciresi returns to the people and place of that irresistible bestseller in a riotous and rueful, sexy and poignant tale of married love...a novel that asks how two people who fell desperately, passionately, heartbreakingly in love can sustain a second act. It's Valentine's Day, and Lisa Strauss, nee Diodetto, is spending it playing dutiful wife at a \$100-a-head benefit instead of in bed with Eben, her hardworking husband of (is it only?) five years. Once upon a time, Lisa, too, was a member of the corporate workaday world--until she fell in love with her boss (Eben), gave

birth to a cute but rambunctious son, and gradually morphed into a stay-at-home mom. Somewhere in the mix Lisa also is a writer with ambitions of fame and glory, but those dreams seem to be shrinking, along with her sex life. That is, until a hotshot literary agent shows interest in Lisa's magnum opus. Suddenly, she has a pen name, and an excerpt of her book appears in *Playboy*. In between revising chapters, Lisa is trying--and failing miserably--to get pregnant again. She's going house-hunting with Cynthia Farquhar, the gorgeous blond Realtor/divorcee who has become her closest confidante (and the object of Eben's secret fantasies). And she's wondering if this is all marriage is and can ever be: bonded for life to a man who may never again be the red-hot lover of their pre-marriage union. In fact, he just may turn out to be the conflicted protagonist of her novel--a devoted family man whose moral fiber may not be strong enough to withstand the slings and arrows of lust and temptation. As their lives begin to bizarrely mirror aspects of Lisa's book...as marital life as they know it teeters on the edge of utter chaos, Lisa and Eben search--apart and together--for the answer to the question that has plagued husbands and wives since time immemorial: Can love survive marriage? In a wickedly funny, right-on-target look at love and relationships, Rita Ciresi peels back the layers of a marriage with equal doses of hilarity and humanity. Filled with all the zest, zingers, and unexpected surprises of life, *Remind Me Again Why I Married You* is this uncommonly gifted author at her lusty and liberating best.

The forget-spell that had covered the Gap was breaking up into small forget-whorls that wandered about, giving amnesia to all they touched. Good Magician Humfrey might have had the Answer, but he had overdosed on water from the Fountain of Youth and was only a helpless baby. And Ivy, three-year-old daughter of King Dor and Queen Irene, as lost in the jungles south of the Gap. While Irene sought her without much hope, Ivy was wandering further into danger, her memories erased by a passing forget-whorl.
