2021-05-06 When Dr. Darren Drake catches his Certified Nurse Assistant smoking behind the clinic and gushing on the phone about him, he decides she requires punishment: an embarrassing examination including anal play. Playing around with an employee opens him up for sexual harassment charges or getting kicked out of his practice, but when Chloe asks for more, he just can't resist. Despite working in an OB/Gyn clinic, Chloe hates doctors. Their know-it-all God-playing rubs her the wrong way—until the man she refers to as Dr. Dreamy shows her giving up control might fulfill fantasies of submission she never knew she had. He seems to enjoy torturing her in the most delicious ways, but he also reduces her to stammers and blushes, which makes it hard to

get to know one another. Can he use his dominance to remove all semblance of control, leaving her with no option but to obey and show her true heart?

Year of the Chick Romi Moondi 2014-04-21 [Book 1 in the "Year of the Chick" series. There's a bit of a cliffhanger to end this book, but the sequel addresses any unanswered questions] An awkward family homecoming at Christmas. A humiliating public weigh-in, with two judging parents as the audience. The announcement of a deadline for arranged marriage doom. And that's just the first two chapters. In "Year of the Chick," Romi Narindra

must find love before her parents find her a husband (a seemingly absurd concept that's the norm in many cultures). To escape her fate, Romi wades through the waters of secret-dating, where self-consciousness is at an all-time high, and experience at an all-time low. It's the sort of thing that would turn almost anyone into a man-crazy freak with romance tunnel-vision, and that's exactly what happens to her. All the while, a lack of inspiration in her corporate job leads Romi to her love of writing, in what quickly becomes a man-quest play-by-play. From whiskey-breath scum bags to uni-brow creeps and everything in between, Romi and her wingmen come up empty time after time. And that's when she meets a fellow writer. On the Internet. So will it be arranged marriage doom, or an Internet affair that's not as creepy as "To Catch a Predator"? Time will tell in the "year of the chick," a twelve-month quest to find love. Tick-tock. ----- "Year of the Chick" is book

In a series, and the sequel "Last-Minute Love" is available now! LENGTH: 75,000 words or 288 pages DISCLAIMER: this book contains profanities, blunt accounts of the dating scene, and cringe-worthy awkward family moments (free,freebie,chicklit,love,romance,romantic comedy,funny,humor,humour,long distance,multicultural,marriage ,dating,relationships)

Make Me Burn Tiffany Roberts 2016-03-05 A DEMON WITH FIRE IN HIS BLOOD... Groomed to slaughter, Morthanion spent millennia battling the forces of light, claiming countless lives. Captured and banished to a remote island by the Mage Council, his fury knows no bounds - until he meets her. Mesmerized by her voice and beauty, he is powerless. A WOMAN HE COULDN'T RESIST... Aria knows survival means avoiding the other islanders at all costs. Yet when she encounters the dangerous, persistent Morthanion, it's

clear all the rules have changed. But can she forgive him the wrongs he'd done and grant him her trust...and love? AN ISLAND MADE PRISON FOR THE UNFORGIVEN... Stripped of magic, Morthanion understands that savagery is necessary to survive. When Aria's true nature is revealed, the other inmates will stop at nothing to have her - and the demon would fight the entire world to keep her safe. -----

#Youdunnit Nicci French 2013-10-24 One crowdsourced storyline, three finely crafted stories by Penguin authors Nicci French, Tim Weaver and Alastair Gunn. What crime has been committed? Who is the victim? And who will solve the case? Write a short crime story, using plot details crowdsourced on Twitter. This was the challenge we put to three Penguin authors - Nicci French, Time Weaver and Alastair Gunn. How different

would the stories be? And how would the authors cope, with so much of the detail out of their hands? #Youdunnit Three very different murders and three unique takes on your travel photographer turned reluctant sleuth, Lucinda Berrington. Deep in the suffocating British countryside, the gangland streets of Cape Town or the glossy world of professional cycling, Twitter followers are meeting an unsavoury demise. Maybe next time you log in you'll wonder... Are you following them, or are they following you? This ebook is brought to you free of charge by Penguin, in association with Specsavers. Look out for other titles by all three authors: Thursday's Children by Nicci French, follows Blue Monday, Tuesday's Gone and Waiting for Wednesday as the fourth in the Frieda Klein series. Richard & Judy book club pick Never Coming Back is the fourth David Raker thriller by Tim Weaver, author of Vanished, Chasing the Dead and The Dead Tracks. Alastair Gunn's debut crime novel, The

Advent Killer, is available from Penguin from November 2013, and introduces DCI Antonia Hawkins.

Year of the Orphan Daniel Findlay 2019-05-07 The Road meets Mad Max in this stunning debut— also for fans of Station 11, The Passage, and Riddley Walker. In a post-apocalyptic future where survivors scavenge in the harsh Australian Outback for spoils from a buried civilization, a girl races across the desert, holding her treasures close, pursued by the Reckoner. Riding her sand ship, living rough in the blasted landscape, she scouts the broken infrastructure and trades her scraps at the only known settlement, a ramshackle fortress of greed, corruption, and disease known as the System. It is an outpost whose sole purpose is survival—refuge from the hulking, eyeless things they call Ghosts and other creatures that hunt beyond the fortress walls. Sold as a child, then raised hard in the System, the Orphan has a mission. She

carries secrets about the destruction that brought the world to its knees. And she's about to discover that the past still holds power over the present. Given an impossible choice, will the Orphan save the only home she knows or see it returned to dust? Both paths lead to blood, but whose will be spilled? With propulsive pacing, a rich, broken language all its own, and a protagonist whose grit and charisma are matched by a relentless drive to know, *The Year of the Orphan* is a thriller of the future you won't want to put down.

Yard War Taylor Kitchings
2015-08-18 "Taylor Kitching's rousing debut puts you right on the fifty-yard line of a vital historical moment." —Chris Grabenstein, *New York Times* bestselling author of *Escape from Mr. Lemoncello's Library* Perfect for readers of Christopher Paul Curtis's *Bud, Not Buddy* and Vince Vawter's *Paperboy*, *Yard War* explores race relations during the Civil Rights Movement from the perspective of a boy who

accidentally sets off a "yard war" when he invites his maid's son to play football on his front lawn. Trip Westbrook has spent his first twelve years far from the struggle for civil rights going on in Mississippi. The one black person he knows well is Willie Jane, the family maid, who has been a second mother to him. When Trip invites her son, Dee, to play football in the yard, he discovers the ugly side of his smiling neighbors. Trip's old pals stop coming by. He is bullied, his house is defaced, and his family is threatened. The Westbrooks will be forced to choose between doing the right thing or losing the only home Trip has ever known. Who knew that playing football in the yard could have such consequences? This engaging, honest, and hopeful novel is full of memorable characters, and brings the civil rights-era South alive for young readers. "Trip is a fine character. 1964 Mississippi leaps to life in this book." —Gennifer Choldenko, Newbery Honor winning author of *Al Capone Does My Shirts* "A captivating story

about standing up for your friends. I loved seeing Trip learn how hard it can be to do the right thing.” —Kristin Levine, author of *The Lions of Little Rock* and *The Paper Cowboy* “Trip’s journey is a sensitive account about how one person can slowly make a difference.” —Booklist “A challenging but worthwhile portrait of a very difficult period in American history.” —SLJ

Yankee Wife Linda Lael Miller 2004-11-01 New York Times bestselling author Linda Lael Miller’s classic follows a Civil War nurse as she embarks on a marriage with a heard-headed man she doesn’t know. Lydia McQuire’s courage had never wavered during the bloodiest days of the Civil War. A year later, the pretty former Union Army nurse is alone, three thousand miles from home, gamely scraping out an honest living. But now, as she said yes to marrying a stranger, her knees gave way with fear. Mr. Devon Quade had seemed polite and handsome when she answered his ad for a wife.

Only after Lydia set sail for his family’s settlement in Washington did she learn the truth: her bridegroom wasn’t the sweet Devon Quade, but his older brother Brigham, a widower with shoulders a yard wide, hands as strong as steel, and an arrogant belief that he was lord and master of his lumber empire, the town, and the woman he married. Lydia’s dislike of him is both ardent and instantaneous...yet she also wants him to kiss her until he takes her breath away. And when Brigham wraps her in his strong embrace, he awakens in her a white-hot passion, and a firm resolve: before she shares his bed, tough, hard-headed Brigham Quade has to surrender himself, heart and soul, to love.

Yellowstone Legacy Peggy L Henderson 2016-07-12 “What we think we know may be completely different...” Nurse Michaela Stephens has led a quiet, ordinary life, limited by restrictions and fear of making mistakes. When she is accused of wrongdoing on the job, escaping to the wilds of

Montana seems like the best way to overcome her insecurities. What she thought she left behind is about to come back to haunt her in ways she never expected. As a descendant of the guardians of ancient Yellowstone, Matunaaga has waited a long time to discover his destiny. Content and secure in his life, he is guided by a sense of duty and obligation to help ensure the future preservation of the sacred mountains. He's ready to do just about anything to fulfill his role, except the one thing his vision requires of him. When Mat is thrust into the world he gladly left behind as a boy, the woman from his vision is the only one who can help him find his way. Michaela must learn to set aside her fears, while Mat seeks to convince her of the truth she tries to deny. With forces at work to tear them apart, trust and love may be the key to survival as Mat and Michaela seek to protect the future generations guarding Yellowstone. ***Content warning: This book contains
