Subaru Automotive Repair Manual Larry Holt 1990

Covers Subaru 2WD and 4WD sedan, hatchback, station wagon, XT and Brat pick-up-1980 thru 1989. With step-by-step procedures.

Profit Wise Jeff Morrill

2021-02-28 Do the Right Thing. Grow Your Business. Profit Wisely. Using the principles in this book, Jeff Morrill built businesses from scratch in automotive retail, real estate, telecommunications, and insurance that generate over \$100,000,000 in annual revenue. His achievements in building flourishing, ethical companies have been featured

in a variety of national media including USA Today, Entrepreneur Magazine, Automotive News, The Boston Globe, and others. That's because Jeff knows the secrets to building highly profitable businesses: how to create systems and procedures that produce profits automatically by focusing on doing the right thing every time. For the first time, Jeff shares all of those secrets in one place. You really can outsell your competitors without selling out your integrity. Contrary to popular belief, taking the high road really is the straightest path to the bottom line. You'll learn how to earn more profits consistently in business while staying true to your values.

Engine Management Greg Banish 2011-04-01 Tuning engines can be a mysterious art, all engines need a precise balance of fuel, air, and timing in order to reach their true performance potential. Engine Management: Advanced Tuning takes engine-tuning techniques to the next level, explaining how the EFI system determines engine operation and how the calibrator can change the controlling parameters to optimize actual engine performance. It is the most advanced book on the market, a must-have for tuners and calibrators and a valuable resource for anyone who wants to make horsepower with a fuel-injected, electronically controlled engine.

for improved acceleration, handling, braking, and style. The book provides detailed chapters explaining how to modify the intake, exhaust, turbocharger, and computer systems for more horsepower and torque--plus info on upgrading your drivetrain to handle all that power. If taking corners is your thing, you'll find chapters on the suspension, steering, chassis, brakes, and wheels and tires. A special chapter even shows you how to get started in your favorite type of racing, including examples of successful racers and their cars.
